OUR BUCKET-LIST ITINERARY

Be immersed in local Tanzanian culture and everyday life by visiting the incredible School of St Jude - established by Australian, Gemma Sisia. Learn about local education, meals, music and experience a home visit.

Visit Serengeti National Park, Ngorongoro Crater Conservation Area, Tarangire National Park over unforgettable 5-days, viewing African wildlife in their natural environment. We will also journey to visit an authentic Maasai *boma*, and experience traditional singing, dancing and firelighting skills.

30km from the coast of Tanzania is the exotic island of Zanzibar - the perfect place to unwind at the end of our trip. We'll tour historic Stonetown, join a Spice Tour, visit a turtle sanctuary and enjoy a sunset *dhow* cruise.

Mt Kilimanjaro Trek

CHOOSE YOUR OWN ADVENTURE

Challenge yourself by climbing Africa's highest peak - Mt Kilimanjaro (5,895m) - via the Marangu route. You'll be assisted by experienced guides and porters, helping your body to acclimatise as you encounter the changing landscapes on your ascent. Mix with travellers from around the world, staying in comfortable, warm huts each evening and with hot meals prepared for you. Push your physical and mental limits to summit the 'Roof of Africa' on this once-in-a-lifetime trek.

Cultural Tour

If trekking isn't the adventure you had in mind, then our cultural tour is for you!

Spend four fabulous days exploring the region around the base of Mt. Kilimanjaro. You'll visit a Maasai school, a village market in Arusha, and sample the coffee at a local plantation. There's also the Marangu Village tour to enjoy before embarking for Zanzibar.
